KIRAVANS GUARANTEE

For Peace of Mind

Put simply, we guarantee everything we sell for 12 months.

If a fault develops within 12 months of purchase on anything you have bought from Kiravans we will replace or repair it, whichever is most suitable. If a replacement is not available we will offer you a refund.

Our liability extends only so far as the supply of the RIB Seat to you. Preparation of your vehicle, surface preparation, installation, and fitting are your own responsibility.

To securely and safely install a vehicle seat is a skilled job, it requires some heavy lifting and use of power tools in a confined space underneath your vehicle. If you are not confident in your own skills and experience then Kiravans recommend that you make use of a vehicle conversion specialist.
