## KIRAVANS GUARANTEE

For Peace of Mind

Put simply, we guarantee everything we sell for 12 months.

If a fault develops within 12 months of purchase on anything you have bought from Kiravans we will replace or repair it - which ever is most suitable. If a replacement is not available we will offer you a refund.

Our liability extends only so far as the supply of the windows to you. Preparation of your vehicle, surface preparation, installation, and fitting are your own responsibility.

To securely and safely install windows in an automotive environment is a skilled job and requires specialist adhesives. If you are not confident in your own skills and experience then Kiravans recommend that you make use of a specialist window installer.

# WINDOW CERTIFICATE OF QUALITY

## CERTIFICATION & SAFETY

**Tempered glass:** All windows supplied by Kiravans have been tempered by specialist heat treatment to achieve the safety standards required in automotive glass and are manufactured in facilities which achieve the highest standards of safety & quality. The 'E' mark indicates that the windows meet all the relevant EC safety Directives and Regulations for automotive glass.

### T5 & Vivaro windows are produced in factories meeting these standards:

- ISO/TS 16949:2009 - Production of tempered glass (certified by German TUV NORD CERT GmbH)
- ISO/TS 16949:2009 - Production of assembled, coated and painted Sliding & Fixed Aluminium windows. (Certified by Bureau Veritas Certification.)
- ISO 9001:2008 - Management system for the production of tempered, silk screen safety glass. (certified by German TUV NORD CERT GmbH)

### T5 Barn door windows are produced in factories meeting these standards:

- ISO 9001:2008 - Management system for transformation of glass by tempering and laminating. (Certified by Bureau Veritas Certification)
- ISO/TS 16949:2009 - Production of glass by tempering and laminating. Certified by Bureau Veritas Certification.

In addition Kiravans has been assessed and approved to the quality management system, standards and guidelines of ISO 9001:2008 applicable to the design, manufacture and retail of quality campervan parts.
